YUPOBLUE® – CERTIFIED PAPER FOR HP INDIGO PRINTING SYSTEMS

Fulfilling the market's demand for creative and durable substrates, YUPOBlue is the ideal solution for commercial HP Indigo printing. With its increased resistance to scratching and improved ink-adhesion, YUPOBlue creates innovative possibilities for even the most challenging applications. YUPOBlue is designed and certified for HP Indigo presses, ensuring compatibility and smooth print runs.

USES

- Business Cards
- Menus
- Signs
- Flyers
- Catalogues
- Brochures
- Photobooks

CHARACTERISTICS

- Certified for HP Indigo presses Series 2, 3 & 4
- 100% waterproof
- Dimensionally stable
- Tear-resistant
- Scratch-proof
- Bright white
- No primer or coating required before printing
- Recyclable

PLEASE NOTE

The use of a laminating varnish offers additional protection for extra-demanding applications.

Prior to actual production, please conduct tests to ensure the product suitability for the final applications.
